

# PETSITTERS.CH

Pets are family. Family matters.

I have a university degree in Animal Behaviour and have over 20 years of experience with a variety of animals, large and small, in multiple environments. I have experience with dogs, cats, rabbits, guinea pigs, birds, fish, rodents. I am also happy to look after reptiles, amphibians, and invertebrates.

Initial consultations and meeting the pets are free (behavioural advice consultations excepted).

Current price list is here: <https://petsitters.ch/services/price-list/>

## Services offered:

Behavioural consultations (nervous pets & separation anxiety, training advice for undesired behaviours, etc) – not a quick fix service but management advice and training methods for long-term change.

Pet sitting (includes feeding, watering, litter scooping, medication administration, basic grooming, etc)

Dog walking

Plant watering

Collecting post

Regular pet updates

Enclosure Cleaning

Boarding of small animals with their own transportable enclosure

Advice on enclosure enrichment

Application of flea and worming treatments

Preferred language is English, but consultation can also be in French.
